

PLYMPTON ST. MAURICE CIVIC ASSOCIATION

MONTHLY REPORT – JANUARY 2010

PLYMPTON PATHFIELDS:

Woodland Walk – This is continuing to develop and there have been favourable comments.

The fence has now been taken down around the pond and we are hoping to work alongside the Parks Department in making the stream more attractive to the community .

PLYMPTON GUILDHALL – This building is still in the ownership of the City but it is expected that the public will be called to a meeting to discuss its future.

OLD GRAMMAR SCHOOL – This has been leased to a private individual and as yet it is not certain when it will again be open to the public.

WEBSITE – This is now being updated on a regular basis and everyone is being encouraged to use it:
